NET Mock Exam (Sanskrit)

Instructions

Please read the following instructions carefully.

- The clock displayed has been set as per our server time. There is a countdown timer at the top right corner of the screen which will display the time within which you have to complete the exam.
- Answer Once Saved cannot be changed
- Click on **SAVE & NEXT** to save the answer before moving to the next question. The next question will automatically be displayed.
- Make sure you click on **SAVE & NEXT** button every time you want to save your answer.
- The colour coded diagram on the right side of the screen shows the status of the questions:
 - White - you have not visited the question
 - Red - you have not answered the question
 - Green - you have answered the question
- When the stipulated time gets over (counter shows 0) then your answers will be submitted automatically, and you will not be able to make any changes.
- If there is a power failure or network problem while you are attempting the exam, you may login again after the problem is resolved and continue the exam. You can start the test from the same point and attempt the remaining questions.
- After you start the examination it will end automatically after the stipulated time elapses provided you are logged in to the exam portal during the time elapses.
- **If you close the exam window without ending the test, your result will NOT be considered.**
- Once the examination time is up, you will not be able to attempt it again.
- You need to complete the exam in the mentioned time only. Extension in time is not allowed. The exam can be attempted only on the scheduled dates & Time mentioned in final date sheet and on your hall Ticket.
- The candidate should ensure that during the exam no other person is present. The exam is continuously monitored and
